This is a list of the grease trap service providers currently known to service businesses in Meigs County. Meigs County Health Department does not endorse or recommend any of the companies listed. If you are a grease trap service provider and would like to be on this list, please contact Dawn Keller at 740-992-6626.

Note* Restaurant owners should receive a receipt, manifest or some type of paperwork that describes how much grease is removed and where that grease will be disposed of.
